

2nd CNU International Conference on  
Convergence and Innovation Technology

# CNU Conference of Advanced Technology 2022

December 12,  
10:30

~

December 14,  
18:00

## Symposia 1

College of Engineering I(W3)

## Symposia 2&3

Central Library(N1)

## Monday, December 12

- Opening Ceremony
- Plenary Talk William A. Goddard III(Caltech, USA, USA)
- **Symposia 1** Materials Chemistry and Physics
- **Symposia 3** Interdisciplinary research session between mathematics, materials science and neural networks

## Tuesday, December 13

- **Symposia 1** Materials Chemistry and Physics
- **Symposia 2** New security and survival nexus : Climate change, energy, economy, health, and world affairs

## Wednesday, December 14

- **Symposia 1** Materials Chemistry and Physics
- Closing Remarks

**Chungnam National University**  
Institute of Technology for  
Convergence and Innovation

**Chungnam National University**  
Research Institute of  
Nano Science and Engineering

**Chungnam National University**  
Institute of Energy  
Convergence Research

Chungnam National University  
Education and Research Group  
for Converging Creative Materials

Chungnam National University  
Education and research group for convergent  
chemical materials in the 4th industrial revolution era

Chungnam National University  
Education Center for Emerging Energy  
Technology on Climate Change

Chungnam National University  
Leading Mathematical Scientists Fostering  
Program For Creating Future Values
