### **4. Important Notes regarding Scholarship Period**

- The scholarship period for the degree (Master's-2years, Doctoral-3years) and research program (6months) cannot be extended once the scholarship is terminated.
- The period change during the Korean language program will not affect the scholarship period for

the degree program. In other words, even if a scholar's language program shortens to 6months instead of a year, the scholarship period that GKS supports for his or her degree program will remain the same (2 years for Master's degree and 3 years for Doctoral degree).

- GKS scholars with TOPIK level 5 or 6
  - GKS scholars who have already received valid TOPIK level 5 or 6 at the time of applying are exempt from a yearlong Korean language program. Thus, the total scholarship period will be 2years for Master's degree scholars and 3years for Doctoral degree scholars.
  - Those who receive TOPIK level 5 or 6 within the first 6months of the Korean language program will be exempt from 6-month language training and must start their degree program in the following semester. The total scholarship period for these scholars will be shortened to 2.5 years for Master's degree scholars and 3.5years for Doctoral degree scholars.
- Research program scholars, upon their completion of the program and before returning back to their countries, must submit their thesis or research results that include methods, data collection, and discussion of the findings as well as the academic advisor's evaluation on scholar's performance.

  - GKS scholars who receive TOPIK level 5 or 6 within the first 6months of the Korean language program are exempt from the subsequent 6-month language training and must start their degree program in the following semester.
  - All applicants and scholars must submit valid TOPIK certificates to NIIED.
  - If one wishes to be exempt from the Korean language program, the 64<sup>th</sup> TOPIK score is the last TOPIK score one can report to NIIED to request for exemption from the Korean language program. One must submit the valid TOPIK certificate to NIIED and his or her university by end of June, 2019.
- Korean language institution is assigned to each student based on following criteria:
  - The language institution is not located in the same city as the scholar's degree pursuing university.
  - The language institution should provide a variety of Korean cultural experiences in addition to offering focused and professional Korean language training

- Korean language institution for each GKS scholar will be announced along with the list of finally selected GKS scholars.
- GKS scholars cannot change their assigned Korean language institutions in any case.
- GKS scholars must live on-campus during the Korean language program.
  - Most dormitory rooms are shared with roommates.
