### ◆ What is an Apostille?

Since July 14, 2007, the Republic of Korea has been part of the 1961 Hague Convention abolishing the Requirement of Legalization for Foreign Public Documents. The Convention provides for the simplified certification of public (including notarized) documents to be used in countries that have joined the convention.

The **Apostille** ensures that public documents issued in one signatory country will be recognized as valid in another signatory country.

NOTE: Newly admitted students from countries which are signatories to the convention must meet the following requirements:

- ① Official certificates (transcripts, diplomas, etc.) from public schools or institutions should be submitted with the attachment of Apostille".
- ② Official certificates (transcripts, diplomas, etc.) from private schools or institutions, however, should be officially notarized by a notary, agency or any other authority competent under the law of the country of origin of the certificates, and then, should be submitted with the attachment of "Apostille".

※ For information regarding how to get an Apostille, please refer to the website:
