

1 CCAT 2024 Schedule

> CCAT 2024 Opening Ceremony Location : CNU E5-1, Convention Hall

	Time	Program
14 (Thurs)	~10:00	Registration
	10:10 ~ 10:20	Recognition of Distinguished Guests
	10:20 ~ 10:30	Welcome Speech Jeong-Kyoun Kim, President of CNU
	10:30 ~ 10:40	Watching CNU Promotional Video
	10:40 ~ 11:20	Keynote Speech Do Young Noh, President of IBS
	11:30 ~ 13:00	Lunch

Symposia Announcement

Symposia 1 : Sustainable Development Goals Solution

Participating Department

- Department of Chemistry
- Department of Education
- Department of Applied Organic Materials Engineering & Department of Chemical Engineering and Applied Chemistry
- Department of Public Administration and CSI lab (as a PRIDE laboratory of CNU)
- Department of International Trade & School of Business Administration

Symposia 2 : Pharmaceutical Bio

Participating Department

- Graduate School of Life Sciences

Symposia 3 : Digital Agriculture

Participating Department

- Department of Animal Science and Biotechnology

Symposia 4 : Next Generation Energy

Participating Department

- Department of Mechanical Engineering
- Department of Materials Science and Engineering

> CCAT 2024 Symposia Schedule

! Symposia 1

Date	Session	Location
13 (Wed)	Emerging Trends in Specialty Chemicals	E5-1
	The Role of Education in the Sustainable Development Goals (SDGs) Era	W15
	Advanced Materials and Catalysis	E5-1
	The 9th International Conference on Management and Economics : "Climate Change and GVCs"	E6
14 (Thurs)	Emerging Trends in Specialty Chemicals	E5-1
	The Role of Education in the Sustainable Development Goals (SDGs) Era	W15
	Climate Urbanism and Urban Sustainability	N1
	The 9th International Conference on Management and Economics : "Climate Change and GVCs"	E6
15 (Fri)	The Role of Education in the Sustainable Development Goals (SDGs) Era	W15

! Symposia 2

Date	Session	Location
14 (Thurs)	Advances in Bioscience & Biotechnology	N14
15 (Fri)	Advances in Bioscience & Biotechnology	N-11

! Symposia 3

Date	Session	Location
13 (Wed)	Innovative Technologies in Food and Animal Production	E10-1
14 (Thurs)	Recent development of Animal Production Technology & Recent development of Animal Genetics and Biotechnology	E10-1

! Symposia 4

Date	Session	Location
14 (Thurs)	Carbon Neutral mechanical technology	E4
15 (Fri)	Advanced Materials and Energy Convergence	W1
